I have carefully read the above application, and in consideration of the Issuance of a Permit, I agree that the construction will be in accordance with this application. I also agree to all provisions of the Grundy County Codes and all State of Illinois laws.

The applicant agrees that the permit issued may be invalid without notice on any breach of representations or conditions.

The applicant is hereby notified that construction must begin within 6 months of issuance of permit, and substantial progress must occur within 1 year of issuance of permit. If after 2 years the construction project is not finalized, the permit must be renewed or it may be invalidated. Renewal may be requested in writing from the Building & Zoning Office.
